

About us

India is one of the fastest growing economies and the contribution of Spatial science, Geo intelligence, Data Science and analytics towards growth has been immense. In spite of having gained international recognition at a very early stage, these technologies are gradually gaining popularity in the Indian subcontinent as well.

Symbiosis was amongst the first to recognize this brewing change of trends and accordingly took initiatives to start different programmes in these cutting edge technologies. In line with the legacy of Symbiosis, SIG provides its students with the best in terms of education and learning environment. Our programmes have been aimed at not merely educating students but to competent and expert human being to meet the ever-growing demand of Geospatial technology, Artificial Intelligence, Machine Learning, Data Mining, Navigation and e-governance.

Webinar on Geointelligence & Career Prospects

2nd March, 2021

4:00 pm- 6:00 pm

**SYMBIOSIS INSTITUTE
OF GEOINFORMATICS**

Celebrating 50 Years of Excellence

Dr. Rupesh Punjani
Director,
IBM

Dr. Rakesh Sinha
Manager
Amazon

Dr. T.P.Singh
Director
Symbiosis Institute of Geoinformatics
(SIG)
Symbiosis International (Deemed
University)

*Note: Webinar is free and open to Students and
Faculties . No Registration Fee.
E- certificate of webinar for participation.*
