

About us

India is one of the fastest growing economies and the contribution of Spatial science, Geo intelligence, Data Science and analytics towards growth has been immense. In spite of having gained international recognition at a very early stage, these technologies are gradually gaining popularity in the Indian subcontinent as well.

Symbiosis was amongst the first to recognize this brewing change of trends and accordingly took initiatives to start different programmes in these cutting edge technologies. In line with the legacy of Symbiosis, SIG provides its students with the best in terms of education and learning environment. Our programmes have been aimed at not merely educating students but to competent and expert human being to meet the ever-growing demand of Geospatial technology, Artificial Intelligence, Machine Learning, Data Mining, Navigation and e-governance.

*Professor & Director of Symbiosis
Institute of Geoinformatics*

**Prof. (Dr.) T. P. Singh
Convener**

Webinar on Recent trends of Space Technology in Geographical Science

1st-2nd February,
2021

4:00 pm- 6:00 pm

**SYMBIOSIS INSTITUTE
OF GEOINFORMATICS**

Celebrating 50 Years of Excellence

**Dr. Debapriya Dutta
Head, National Geospatial Division (erstwhile
NRDMS), Department of Science &
Technology**

Dr. C.S. Jha
Chief General Manager,
Regional Centres (RC)
National Remote Sensing Centre
(NRSC)
Indian Space Research
Organisation (ISRO)

Dr. Venkateshwar Rao
Group Director, Water
Resources,
Remote Sensing Applications,
NRSC & Project Director, India-
WRIS
Indian Space Research
Organisation (ISRO)

Dr. Rajasree V Bothale
Group Director, Training,
Education & Outreach Group
National Remote Sensing Centre
(NRSC)
Indian Space Research
Organisation (ISRO)

Dr. T.P. Singh
Director
Symbiosis Institute of
Geoinformatics (SIG)
Symbiosis International (Deemed
University)

Note: Webinar is free and open to teachers and faculties only. No Registration Fee. E- certificate after completion of the program.
