

CyberTech Systems Campus Drive at SIG Pune

Date of Visit: 12th September 2025

The placement season for the 2024–26 batch at SIG, Pune commenced with the campus drive by CyberTech Systems and Software Limited.

The CyberTech team interacted with students, shared industry insights, and conducted the initial screening process.

We are delighted to announce that 5 students have been shortlisted for the next round.

SIG thanks CyberTech Systems for initiating this year's placement season and looks forward to continued collaboration.
