

SYMBIOSIS INSTITUTE OF GEOINFORMATICS

🌐 ✨ SIG at the Global SpaceTech Forum!

We are proud to share that **Dr. Tarun Pratap Singh, Director – Symbiosis Institute of Geoinformatics (SIG)**, represented India 🇮🇳 at the SpaceTech Forum, Moscow, Russia 🇷🇺, speaking on Geospatial & Space Technology growth and its economic impact 🚀.

His address highlighted how India's progressive geospatial policy 📊 has transformed the Earth Observation ecosystem 🌐, driving innovation across agriculture 🌾, disaster management 🌀, and urban development 🏙️.

Glimpse from the Moscow, Russia
