### Khula Manch 2016

The Students' Council is the representative body of the students of the college. It is responsible for all the major sports and cultural activities that are organized like khula Manch, Sports and Milap. Students' Council over the years has been organizing events that bring together fun, knowledge, creativity, innovation and freshness in all the aspects of our life. Khula Manch - the Annual Cultural Festival of SIG since its inception has always brought out the best talents to the fore. It is organized with much fanfare.

The annual cultural festival SIG is one of the most awaited events at the college campus. Khula Manch was celebrated on 21st August 2016. The backdrop was very much appreciated by all because of the hard work of the creative and the in-house team of khula manch. This is an event where students take a brief time off their busy schedule and strive hard to acclaim proficiency in the field of performing arts.

## Sports 2016

With the intention to see the hidden talents of the SIG students, Sports week was organised from **22<sup>nd</sup> August, 2016 to 26<sup>th</sup> August, 2016**. The various events such as Cricket, chess, Badminton, Carrom, 100 m race, 200 m race, relay, Throwball, Sack race were the events for students. Many students participated with zeal and exhibited their talents. The races were fun but competitive, with plenty of stickers awarded for winners and also to praise effort and spirit. The students came along to show support, which gave the day a feeling of community and togetherness in the name of sport. An energizing equestrian display set the tone for the rest of the event. Once the races began, the air was filled with cheering and tons of encouragement for the young athletes. The winners of various events were awarded prizes and certificates from Dr. T.P.Singh, director of Symbiosis Institute of Geoinformatics.
