## REPORT FOR KHULA MANCH 2017 (CULTURAL EVENT)

Cultural Event – “Khula Manch” is organized every year in Symbiosis Institute of Geoinformatics. For year 2017, the event was held on 18<sup>th</sup> July, 2017. The event was a big success. A lot of students participated and gave various Dance, Musical and Dramatic Performances.

The theme for Khula Manch 2017 was “Cartoon” – The decorations and the performances were in accordance to the theme.

Certain games were also organized for the Teachers. There were interaction rounds also for Teacher- Students and Senior- Junior Batches.

The event was organized by the Cultural Secretaries of batch 2016-18 and 2017-19.

The entire batch contributed to the organizational work. The decorations were beautifully done. Seniors and juniors performed together.

As the Event was organized in the initial phase of the 1<sup>st</sup> semester.

It worked great for improving the group Dynamics of the students.

Everyone worked together. The bond between the students increased and it created a happy atmosphere in the College premises.

It worked well in inculcating the feelings of togetherness among the students and helped them identify their creative sides.

Thank You

### Sports report

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also.

Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. Considering the concept of "SPORTS FOR ALL" throughout the entire session we organized Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competition also offer a break from the daily routine tasks and recreate or re-energetic them.

The following events have been organized for the inter-class sports tournaments for students:

- CRICKET
- BADMINTON
- CHESS
- ATHLETICS
- TUG OF WAR
- VOLLEY BALL
