Subject: Invitation to be a speaker in the panel discussion during Esri India User Conference, Delhi NCR (Gurugram), September 10-11, 2018 at The Leela Ambience Gurugram Hotel

Dear Sir,

With great pleasure, I would like to share that Esri India is organizing its User Conference in Delhi NCR at the **The Leela Ambience Gurugram Hotel** during **September 10-11, 2018**.

Since 20 years, Esri India User Conference has been the most sought after, thought provoking and inspiring GIS conference in India. It brings together decision makers, policy makers, senior officials, professionals, users and technologists to experience the next big things in GIS and apply them in their organizations and areas of work.

The **theme of this year's conference is "GIS: Inspiring What's Next"**. The conference would feature inspiring keynote sessions by industry thought leaders, next generation innovations in GIS technology and trends, user presentations and extensive opportunities for networking. In addition, there will be **focused industry sessions** for GIS applications in areas like **Natural Resources Management, Infrastructure, Business and technology session on Artificial Intelligence and Machine Learning** in GIS. More information on the conference is available on our conference website esriindia.com/indiauc.

I would like to invite you **as a speaker in the panel discussion on Skilling and Capacity building in GIS** during the closing plenary session on September 11 as well as attend the conference on both the days. The **panel discussion aims to explore various aspects of skill and capacity building in GIS to meet next decade of opportunities**. The overall duration of the panel session is 45 mins from 3:15 pm onwards.

A word from your office in confirmation will be highly appreciated. I also request you to nominate other relevant members from your department to attend the conference.

Thanking you and looking forward to receive you at our User Conference in Gurugram.

Sincerely,

Vijay Kumar
VP and Head-Technology
